NOTICE TO THE MARKET

Usinas Siderúrgicas de Minas Gerais S.A. – USIMINAS ("Usiminas" or "Company") hereby informs the resubmission of the Remote Voting Ballot ("RVB") referring to the Annual Shareholders Meeting called for 04.25.2024 ("ASM") made available in the CICORP system, due to the duplication in the resolutions contained in items 10 and 11 of the RVB'S original version (regarding the distribution of votes among the candidates that compose the list for the Board of Directors in the event that the election is carried out by the multiple voting system).

In view of the above, the only change promoted was the removal of item 11 from the original version of the RVB made available in the CICORP system, with no change in the proposals submitted to the ASM for deliberation.

Usiminas clarifies that: (i) the votes contained in item 11 of the original version of the RVB made available in the CICORP system and that have already been sent will be considered invalid; (ii) the deadline for the shareholder, if he wishes, to submit a new RVB remains April 18, 2024 (including); (iii) if the shareholder wishes to send a new RVB, it is recommended that he or she do so to the same service provider previously used, in order to avoid that his or her voting instruction may be considered conflicting; and (iv) in the event that the shareholder has already sent the BVD directly to the Company, it is not necessary to send a new voting instruction and the votes will be counted normally.

Belo Horizonte, April 04, 2024.
