

Vale informs new dates for the Financial Performance Report and Annual General Shareholders' Meeting

Rio de Janeiro, January 30th, 2019 – As a result of the full focus of the company in the support of the impacted by the accident in Dam I of the Córrego de Feijão mine, located in Brumadinho (MG, Brazil), and in compliance with the legal deadlines for information disclosure to the market, Vale S.A. (“Vale”) informs the new dates for reporting the 4Q18 and FY2018 production and sales figures and the financial performance report.

Vale will release its production and sales report on Tuesday, March 26th, 2019, before market opening.

Vale will release its financial performance report on Wednesday, March 27th, 2019, after markets close. Vale will simultaneously release the consolidated financial statements in USD and BRL, in accordance with the IFRS (International Financial Reporting Standards).

On Thursday, March 28th, 2019, Vale will host conference calls and webcasts to discuss its performance.

In amendment to the Press Release dated January 11th, 2019, Vale also informs that April 30th, 2019, is the new scheduled date for its Annual General Shareholders' Meeting.

This press release may include statements that present Vale's expectations about future events or results. All statements, when based upon expectations about the future, involve various risks and uncertainties. Vale cannot guarantee that such statements will prove correct. These risks and uncertainties include factors related to the following: (a) the countries where we operate, especially Brazil and Canada; (b) the global economy; (c) the capital markets; (d) the mining and metals prices and their dependence on global industrial production, which is cyclical by nature; and (e) global competition in the markets in which Vale operates. To obtain further information on factors that may lead to results different from those forecast by Vale, please consult the reports Vale files with the U.S. Securities and Exchange Commission (SEC), the Brazilian Comissão de Valores Mobiliários (CVM), and the French Autorité des Marchés Financiers (AMF), and in particular the factors discussed under “Forward-Looking Statements” and “Risk Factors” in Vale's annual report on Form 20-F.
