Bradesco discloses the complementary version of its 2018 Integrated Report

Dear Sir or Madam,

Banco Bradesco SA (BB3, BBDC4, NYSE: BBD, BBDO, and Latibex: XBBDC), following the best practices of corporate governance and in a continuous process of evolution in the transparency of information, is pleased to disclose the complementary version of its 2018 Integrated Report.

This version includes more detailed information and indicators related to the topic, including those of the Global Reporting Initiative (GRI) and aspects proposed by the International Integrated Reporting Council (IIRC). In addition, the correlation between the Organization's main themes and the Sustainable Development Objectives (ODS) is also indicated.

Access Bradesco's Investor Relations website - banco.bradesco/ri - and get to know the new publication.

Cordially,

Leandro de Miranda Araujo
Executive Director and
Investor Relations Officer
