

Petrobras on the new CEO of Transpetro

Rio de Janeiro, March 2, 2020 - Petr leo Brasileiro S.A. - Petrobras reports that the Board of Directors of its subsidiary Petrobras Transporte S.A. (Transpetro) elected Cristiane Elia de Marsillac for the position of CEO and Gustavo Santos Raposo for the position of Chief Financial Officer.

The company is grateful for the dedication of Antonio Rubens Silva Silvino through over more than forty years in Petrobras. Antonio Rubens was Transpetro CEO since 2015, when successfully carried out the important work of restructuring the company.

Cristiane Marsillac has a solid career as a Navigation and Ports executive in large companies in Brazil, where she has worked for over 25 years. She has been the CEO of Mercosul Line / CMA CGM Group (July 2016-January 2020), Executive Officer at Prumo Log stica (2014-2015), Executive Officer at Bravante (2012-2014), partner and General Executive Officer of Dock Brasil Engenharia e Servi os Ltda. (2010-2012). At Vale, she held the position of General Manager of Strategic Projects in the Railway Department (2006-2009) and Executive Officer of Docenave and DCNDB (2003-2006).

Cristiane Marsillac holds a bachelor's degree in Naval Engineering from the Federal University of Rio de Janeiro (UFRJ), a master's degree in Maritime Transport (UFRJ), an MBA in Economic Engineering and Industrial Management (UFRJ) and has participated in training executive programs promoted by institutions abroad as MIT Sloan- USA (2004) and IMD - Switzerland (2005-2006).

Gustavo Raposo has a solid career in Risk Management and Finance areas, having held the positions of Executive Manager of Corporate Risks at Petrobras (2017-2019), Executive Officer of Finance, Accounting and Taxes at Icatu Seguros S.A. (2014-2017) and Head of Middle Office at BG Group in the United Kingdom (2013-2014). Between 2005 and 2013, he worked for Vale in Brazil and Switzerland, where he held several roles as General Manager, especially in Risk Management and Finance.

Gustavo Raposo holds a bachelor's degree in Civil Engineering from the Pontifical Catholic University of Rio de Janeiro (PUC-Rio), a master's degree in Production Engineering and a PhD. in Electrical Engineering from PUC-Rio. He has attended Senior Leadership Programs at Chicago Booth, USA and at IMD, Switzerland.
