

## NOTICE TO THE MARKET

**São Paulo, October 19, 2020** - BRASKEM S.A. (B3: BRKM3, BRKM5 and BRKM6; NYSE: BAK; LATIBEX: XBRK), further to the Notice to the Market dated October 7, 2020, hereby announces to its shareholders and the market that, after implementing the applicable procedures for safe return of its activities, it has reestablished normal access to most of its servers and software, enabling Braskem to resume the normal operations.

In addition, the Company continues to investigate the possibility if there was any breach of personal data and information, and to date no confirmation to that effect has been found.

The Company continues to undertake its best efforts to assess the extent of the incident, taking appropriate measures, including from a criminal perspective, and it is unable at this point to assure what the eventual impacts arising from the incident might be.

Lastly, Braskem will keep the market informed in compliance with the applicable laws and regulations.

For more information, contact Braskem's Investor Relations Department by calling +55 (11) 3576-9531 or sending an e-mail to [braskem-ri@braskem.com.br](mailto:braskem-ri@braskem.com.br).

## DISCLAIMER ABOUT FORWARD-LOOKING STATEMENTS

This Notice to the Market may contain forward-looking statements. These statements are not historical facts, but are based on the current view and estimates of the Company's management regarding future economic and other circumstances, industry conditions, financial performance and results, including any potential or projected impact of the geological event in Alagoas and related legal proceedings, the above-mentioned cybersecurity incident, as well as of COVID-19 on the Company's business, financial condition and operating results. The words "forecasts," "believes," "estimates," "expects," "plans" and other similar expressions, when referring to the Company, are intended to identify forward-looking statements. Statements related to the possible outcome of legal and administrative proceedings, implementation of operational and financing strategies and investment plans, guidance about future operations, as well as factors or trends that affect the financial condition, liquidity or operating results of the Company are a few examples of forward-looking statements. These statements reflect the current views of the Company's management and are subject to diverse risks and uncertainties, many of which are beyond the control of the Company. There is no guarantee that said events, trends or expected results will actually occur. The statements are based on several assumptions and factors, including general economic and market conditions, industry conditions and operating factors. Any change in such assumptions or factors, including the projected impact of the geological event in Alagoas and related legal procedures,

the above-mentioned cybersecurity incident and the unprecedented impact of the COVID-19 pandemic on businesses, employees, service providers, shareholders, investors and other stakeholders of the Company can cause actual results to differ significantly from current expectations. For a comprehensive description of the risks and other factors that could impact any forward-looking statements in this document, especially the factors discussed in the sections, see the reports filed with the Brazilian Securities and Exchange Commission (CVM).
