

NOTICE TO THE MARKET

São Paulo, September 21, 2020 - Braskem S.A. (B3: BRKM3, BRKM5 and BRKM6; NYSE: BAK; LATIBEX: XBRK) hereby informs its shareholders and the market that, as a member of the CFO taskforce, it is committed to implementing the *CFO Principles on Integrated Sustainable Development Goals (SDG) Investments and Finance*, an initiative of the UN Global Compact.

This initiative will consist in the definition of goals related to Braskem's commitments with the SDGs, and is aligned with the global strategy and with the Company's purpose of improving people's lives through the transition to sustainable development.

Visit <https://www.cfotaskforce.org/> for more information.

For further clarification, please contact Braskem's Investor Relations Department by calling +55 (11) 3576-9531 or sending an e-mail to braskem-ri@braskem.com.br.

DISCLAIMER ON FORWARD-LOOKING STATEMENTS

This Notice to the Market may contain forward-looking statements. These statements are not historical facts, but are based on the current view and estimates of the Company's management regarding future economic and other circumstances, industry conditions, financial performance and results, including any potential or projected impact of the geological event in Alagoas and related legal proceedings, as well as of COVID-19 on the Company's business, financial condition and operating results. The words "forecasts", "believes", "estimates", "expects", "plans" and other similar expressions, when referring to the Company, are intended to identify forward-looking statements. Statements related to the possible outcome of legal and administrative proceedings, implementation of operational and financing strategies and investment plans, guidance about future operations, as well as factors or trends that affect the financial condition, liquidity or operating results of the Company are a few examples of forward-looking statements. These statements reflect the current views of the Company's management and are subject to diverse risks and uncertainties, many of which are beyond the control of the Company. There is no guarantee that said events, trends or expected results will actually occur. The statements are based on several assumptions and factors, including general economic and market conditions, industry conditions and operating factors. Any change in such assumptions or factors, including the projected impact of the geological event in Alagoas and related legal procedures and the unprecedented impact of the COVID-19 pandemic on businesses, employees, service providers, shareholders, investors and other stakeholders Company can cause actual results to differ significantly from current expectations. For a comprehensive description of the risks and other factors that could impact any forward-looking statements in this document, especially

the factors discussed in the sections, see the reports filed with the Brazilian Securities and Exchange Commission (CVM).
