(1) Including Notes held by Petrobras or its affiliates. (2) Per US\$1,000, €1,000 or £1,000, as applicable, principal amount of Notes.

The Offers will expire at 5:00 p.m., New York City time, on September 16, 2020, unless extended with respect to an Offer (such date and time, as the same may be extended with respect to an Offer, the “Expiration Date”). The Notes validly tendered may be withdrawn at any time prior to 5:00 p.m., New York City time, on September 16, 2020, unless extended with respect to an Offer, but not thereafter. The settlement date of the Offers will occur promptly following the Expiration Date, expected to be no later than three business days following the Expiration Date, which is expected to be September 21, 2020 (the “Settlement Date”).

Holders of Notes who (1) validly tender and do not validly withdraw their Notes on or prior to the Expiration Date or (2) deliver a properly completed and duly executed notice of guaranteed delivery and other required documents pursuant to the guaranteed delivery procedures described in the Offer to Purchase on or prior to the Expiration Date, and tender their Notes on or prior to 5:00 p.m., New York City time, on the second business day after the Expiration Date, which is expected to be September 18, 2020 (the “Guaranteed Delivery Date”), will be eligible to receive the Consideration indicated in the table above, as well as accrued and unpaid interest from, and including, the last interest payment date for the Notes to, but not including, the Settlement Date.

The Offers are not contingent upon the tender of any minimum principal amount of Notes. The consummation of an Offer is not conditioned on the consummation of the other Offers. Each Offer is independent of the other Offers, and PGF may withdraw or modify any Offer without withdrawing or modifying other Offers.

PGF’s obligation to accept for purchase, and to pay the Consideration for the Notes validly tendered pursuant to the Offers is subject to, and conditioned upon, the satisfaction or, where applicable, PGF’s waiver of certain conditions, including certain customary conditions such as that PGF will not be obligated to consummate the Offers upon the occurrence of an event or events that would or might reasonably be expected to prohibit, restrict or delay the consummation of the Offers or materially impair the contemplated benefits to PGF of the Offers.

PGF’s obligation to complete an Offer with respect to a particular series of Notes validly tendered is also conditioned on the aggregate Consideration for the Offers, excluding accrued and unpaid interest, not exceeding US\$4.0 billion (the “Maximum Consideration”), and on the Maximum Consideration being sufficient to pay the aggregate Consideration for all Notes of such series (after paying the Consideration for all validly tendered Notes that have a higher Acceptance Priority Level) (the “Maximum Consideration Condition”).

If the Maximum Consideration Condition is not satisfied with respect to each series of Notes for (i) a series of Notes (the “First Non-Covered Notes”) for which the Maximum Consideration is less than the sum of (x) the aggregate Consideration for all validly tendered First Non-Covered Notes and (y) the aggregate Consideration for all validly tendered Notes of all series, having a higher Acceptance Priority Level (with 1 being the highest Acceptance Priority Level and 19 being the lowest Acceptance Priority Level) than the First Non-Covered Notes, and (ii) all series of Notes with an Acceptance Priority Level lower than the First Non-Covered Notes (together with the First Non-Covered Notes, the “Non-Covered Notes”), then PGF may, at any time at or prior to the Expiration Date:

(a) terminate an Offer with respect to one or more series of Non-Covered Notes for which the Maximum Consideration Condition has not been satisfied and promptly return all validly tendered Notes of such series, and of any series of Non-Covered Notes to the respective tendering Holders; or

(b) waive the Maximum Consideration Condition with respect to one or more series of Non-Covered Notes and accept all Notes of such series, and of any series of Notes having a higher Acceptance Priority Level, validly tendered; or

(c) if there is any series of Non-Covered Notes for which:

1. the aggregate Consideration necessary to purchase all validly tendered Notes of such series, *plus*

2. the aggregate Consideration necessary to purchase all validly tendered Notes of all series having a higher Acceptance Priority Level than such series of Notes, other than any Non-Covered Notes,

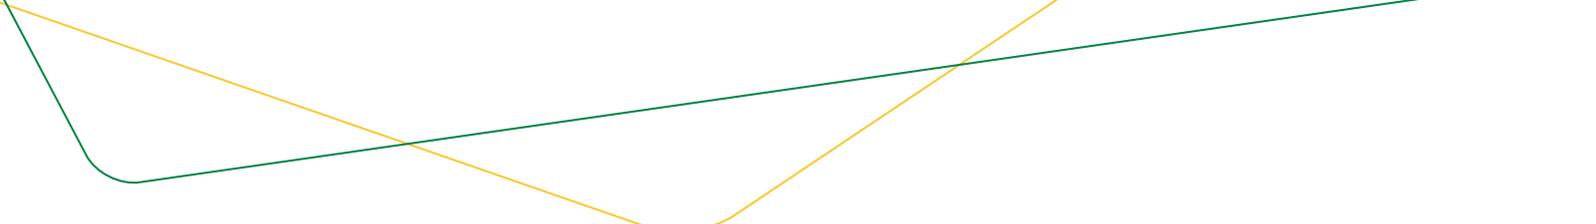

are equal to, or less than, the Maximum Consideration, accept all validly tendered Notes of all series having a lower Acceptance Priority Level, until there is no series of Notes with a higher or lower Acceptance Priority Level to be considered for purchase for which the conditions set forth above are met.

It is possible that a series of Notes with a particular Acceptance Priority Level will fail to meet the conditions set forth above and therefore will not be accepted for purchase even if one or more series with a higher or lower Acceptance Priority Level is accepted for purchase. If any series of Notes is accepted for purchase under the Offers, all Notes of that series that are validly tendered will be accepted for purchase.

For purposes of determining whether the Maximum Consideration Condition is satisfied, we will assume that all Notes tendered pursuant to the Guaranteed Delivery Procedures will be duly delivered at or prior to the Guaranteed Delivery Date and we will not subsequently adjust the acceptance of the Notes in accordance with the Acceptance Priority Levels if any such Notes are not so delivered. In determining the Maximum Consideration available for purchases pursuant to the Offers, the aggregate U.S. dollar-equivalent principal amount of Notes denominated in Euro or Pound Sterling tendered and accepted in the Offers shall be calculated at the applicable exchange rates, as of 2:00 p.m., New York City time, on the Expiration Date, as reported on Bloomberg screen page "FXIP" under the heading "FX Rate vs. USD," (or, if such screen is unavailable, a generally recognized source for currency quotations selected by the Dealer Managers (as defined below) with quotes as of a time as close as reasonably possible to the aforementioned).

PGF may, in its sole discretion, waive any one or more of the conditions at any time, including the Maximum Consideration Condition.

If PGF terminates any Offer with respect to one or more series of Notes, it will give written notice thereof to the Depositary (as defined below) and will make a public announcement thereof as promptly as practicable and all Notes tendered pursuant to such terminated Offer(s) and not accepted for payment will be returned promptly to the tendering Holders thereof. With effect from such termination, any

Notes blocked at the relevant clearing system will be released. If the Maximum Consideration Condition is not satisfied with respect to a series of Notes, elections to the guaranteed delivery procedures will be promptly rejected with respect to such series.
