**MATERIAL FACT**

Braskem S.A. (“Braskem” or “Company”), in compliance with CVM Instruction 358/02, informs its shareholders and the market that, after completing the commissioning phase in accordance with the applicable safety standards, it has started the commercial production of polypropylene (PP) from its newest plant in the United States (US).

Located in La Porte, Texas, and with an annual production capacity of 450 kilotons, the new US facility strengthens Braskem’s PP leadership position in North America and is aligned with the Company’s strategy to diversify its feedstock profile and expand geographically in the Americas.
