Dear Sirs,

We refer to Official Letter 421/2020-SLS ("Letter"), dated June 25, 2020, through which you requested clarifications from Braskem S.A. ("Braskem" or "Company") regarding an article published on June 25, 2020 in the newspaper *Valor Econômico* entitled "Braskem inicia produção em nova unidade nos EUA no 3º tri" [*Braskem starts production at new unit in the U.S. in the 3<sup>rd</sup> quarter*], as transcribed below:

*"June 25, 2020  
421/2020-SLS*

***Braskem S.A.***

*Attn: Mr. Pedro van Langendonck Teixeira de Freitas  
Investor Relations Officer*

***Ref: Request for clarification on news report***

*Dear Sirs,*

*The article published in the newspaper Valor Econômico, on June 25, 2020, entitled "Braskem inicia produção em nova unidade nos EUA no 3º tri" states, among other things, that:*

- 1. With the announcement yesterday that construction of the new plant in the United States has been completed, Braskem expects to start large-scale commercial production of polypropylene at the unit during the third quarter;*
- 2. The production capacity of more than 450 kton/y is in addition to the capacity of the company's other five units in the United States."*

*We request clarifications on the above items by **June 26, 2020**, including your confirmation or denial, as well as any other information deemed relevant."*

In this regard, Braskem informs that, as announced to the market on June 21, 2017 and in its quarterly and annual earnings disclosures, it gave broad coverage to the construction of this new polypropylene plant in the United States and its production capacity - from the approval of its construction by the Board of Directors of Braskem, the progress of construction and the scheduled operational startup in 2020.

As such, the Company confirms the information reported in the news article and will continue to

keep the market informed of relevant developments on the subject.
