

Petrobras expresses interest in the surplus of Atapu and S epia

Rio de Janeiro, April 28, 2021 - Petr leo Brasileiro S.A. – Petrobras informs that today it expressed to the National Energy Policy Council (CNPE) its interest in the preferential rights in the Second Bidding Round of the Transfer of Rights' Surplus Volumes under the Production Sharing regime, pursuant to Law 12,351/2010 and Federal Decree 9,041/2017.

The company's Executive Board approved the expression of interest in the preferential rights in the areas of Atapu and S epia with a percentage of 30%, considering the parameters disclosed in the CNPE's Resolution N  05, of April 22, 2021, and in the Ministry of Mines and Energy's (MME) Directive N  08, of April 19, 2021.

The values corresponding to the signature bonuses to be paid, in case of confirmation of the participation percentages in the terms above by the CNPE, will be of R\$ 1,200.6 million for Atapu and R\$ R\$ 2,141.4 million for S epia.

The expression of interest is in line with the company's Strategic Plan, focused on concentrating its resources in world-class assets in deep and ultra-deep waters.
