

## **Copel approves Carbon Neutrality Plan**

Companhia Paranaense de Energia - COPEL ("Company") company that generates, transmits, distributes and trades energy, with shares listed on B3 (CPLE3, CPLE5, CPLE6), NYSE (ELPVY, ELP) and LATIBEX (XCOP), communicates to its shareholders and the market in general that, on this date, the Board of Directors approved the Carbon Neutrality Plan with the objective of contributing to the commitments established in the Paris Agreement.

The aforementioned Carbon Neutrality Plan aims to neutralize the Emission of Greenhouse Gases (GHG) by 2030 for the assets that Copel has operational control (according to the concept established in the GHG Protocol methodology), through the reduction and compensation of residual emissions.

The monitoring of goals and action plan will be part of the scope of work of the Sustainable Development Committee that was instituted by the new Bylaws recently approved at the Extraordinary General Meeting of March 11, 2021.

Curitiba, March 17, 2021.
