

Banco Bradesco S.A. ("Bradesco") informs to its shareholders, customers and the market in general that it became aware that its unit Bradesco Securities, Inc. – New York was the victim of a cybersecurity incident, which may have resulted in unauthorized viewing of employees, corporate, and customer data.

The potential access to this data does not jeopardize the integrity of access to transactional systems of the holders with **Bradesco Securities, Inc.** In addition, the incident did not result in unavailability of systems or interruption of operations, which continue to function regularly, and did not affect customers, operations or corporate data of other Bradesco's business units.

**Bradesco Securities, Inc.** promptly activated its control and security protocols to investigate the causes of the incident, its extent and mitigate its effects. Additionally, it adopted all necessary measures to resolve the incident, as well as to communicate with those affected and the competent authorities.

Bradesco reinforces its commitment to the transparency and security of its employee and customers' data and will keep the market informed of any new relevant information related to this event.

Cidade de Deus, Osasco, SP – July 18, 2023
