This document may contain estimates and projections that are not statements of fact that have occurred in the past, but reflect the beliefs and expectations of our management and may constitute estimates and projections about future events within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities and Exchange Act of 1934, as amended. The words "believes", "may", "estimates", "continues", "anticipates", "intends", "expects" and the like are intended to identify estimates that necessarily involve risks and uncertainties, whether known or not. Known risks and uncertainties include, but are not limited to: general economic, regulatory, political and commercial conditions in Brazil and abroad, variations in interest rates, inflation and the value of the Brazilian Real, changes in volumes and patterns of consumer use of electricity, competitive conditions, our level of indebtedness, the possibility of receiving payments related to our receivables, changes in rainfall and water levels in the reservoirs used to operate our hydroelectric plants, our financing and capital investment plans, existing and future government regulations, and other risks described in our annual report and other documents filed with the SEC. Estimates and projections speak only as of the date on which they were expressed and we undertake no obligation to update any such estimates or projections due to the occurrence of new information or upcoming events. The future results of the Companies' operations and initiatives may differ from current expectations and the investor should not rely solely on the information contained herein. This material contains calculations that may not reflect accurate results due to rounding performed.
