## NOTICE TO THE MARKET

**São Paulo, September 8, 2025** - Braskem S.A. ("Braskem" or the "Company") (Ticker B3: BRKM3, BRKM5, and BRKM6; NYSE: BAK; LATIBEX: XBRK), in connection with the Notice to the Market disclosed on August 28, 2025, hereby informs its shareholders and the market in general that Braskem Idesa S.A.P.I. ("Braskem Idesa"), with the objective of reviewing its existing capital structure and liquidity conditions, has retained Lazard Inc., Cleary Gottlieb Steen & Hamilton LLP and Sainz Abogados to support Braskem Idesa in evaluating a wide range of economic-financial options.

This decision reflects Braskem Idesa's ongoing efforts to preserve its liquidity and improve its results in general amid the current scenario of macroeconomic uncertainties, price volatility of its commodities, higher input costs and weaker-than-expected demand.

Braskem informs that it will keep the market informed about relevant developments on the subject, in compliance with the applicable legislation.

For more information, please contact Braskem's Investor Relations Department by phone at +55 (11) 3576-9531 or by e-mail [braskem-ri@braskem.com.br](mailto:braskem-ri@braskem.com.br).

## FORWARD-LOOKING STATEMENTS

This Notice to the Market may contain forward-looking statements. These statements are not historical facts, but rather are based on the current view and estimates of the Company's management regarding future economic and other circumstances, industry conditions, financial performance and results, including any potential or projected impact regarding the geological event in Alagoas and related legal procedures on the Company's business, financial condition and operating results. The words "project," "believe," "estimate," "expect," "plan", "objective" and other similar expressions, when referring to the Company, are used to identify forward-looking statements. Statements related to the possible outcome of legal and administrative proceedings, implementation of operational and financing strategies and investment plans, guidance on future operations, the objective of expanding its efforts to achieve the sustainable macro-objectives disclosed by the Company, as well as factors or trends that affect the financial condition, liquidity or operating results of the Company are examples of forward-looking statements. Such statements reflect the current views of the Company's management and are subject to various risks and uncertainties, many of which are beyond the Company's control. There is no guarantee that the events, trends or expected results will actually occur. The statements are based on various assumptions and factors, including, but not limited to, general economic and market conditions, industry conditions and operating factors, availability, development and financial access to new technologies. Any change in these assumptions or factors, including the projected impact from the joint venture and its development of technologies, from the geological event in Alagoas and related legal procedures and the unprecedented impact on businesses, employees, service providers, shareholders, investors and other stakeholders of the Company could cause effective results to differ significantly from current expectations. For a comprehensive description of the risks and other factors that could impact any forward-looking statements in this document, especially the factors discussed in the sections, see the reports filed with the Brazilian Securities and Exchange Commission (CVM). This Notice to the Market does not constitute any offer of securities for sale in Brazil. No securities may be offered or sold in Brazil without being registered or exempted from registration, and any public offer of securities carried out in Brazil must be made through a prospectus, which would be made available by Braskem and contain detailed information on Braskem and its management, as well as its financial statements.
