Pursuant to the Brazilian Corporation Law, a Shareholder may not vote on resolutions of the general meeting related to the approval of its accounts as administrator, nor on any other resolutions which may specifically benefit said Shareholder or in which it and the Company have conflicting interests.

If any of the attending shareholders claim an alleged conflict of interests of a Shareholder, which prevents it from voting in the meeting, or in another legal event of vote impediment, and if the Shareholder itself has not declared its impediment, the presiding board of the Meeting shall suspend the resolution to listen to and receive such allegation, together with any counterclaims of such Shareholder, before voting on the matter. GUIDE TO USING THE WEBEX PLATFORM FOR ACCESS AND PARTICIPATION

The Company clarifies that the Digital Webex Platform was chosen to carry out the Shareholders Meeting because it fulfills the requirements provided for in art. 28 Paragraph 1 of CVM Resolution 81, as it allows Shareholders the opportunity to express themselves and have simultaneous access to documents that have not been previously presented and that are presented during the Meeting. In addition, the Digital Platform allows full recording of the Meeting, as well as communication between participants, through the option “Chat” on the platform (see how to use this function in item 2.3 below).

Therefore, the Company makes the instructions below available to its Shareholders to serve as a guide / manual for using the Digital Platform on the day of the Meeting, in order to facilitate the participation of all those involved in the event.

Introductory Information

In order to have access to the Meeting, Shareholders must request an access link to the Meeting via email to braskem-ri@braskem.com, **by November 11, 2025**. The request must be accompanied by the necessary documents to participate in the meeting. Meeting, which were duly indicated in the Call Notice, in the Management Proposal and in this Manual for Participation in the Meeting.

The access to the Meeting via the Digital Platform will be restricted to shareholders or their representatives / attorneys-in-fact (“**Participants**”), members of the Company, and other persons whose presence is mandatory under the law or applicable regulation. The links to access the Digital Platform, containing the individual invitations, will be sent to the e-mail addresses that made the access request. Only one individual invitation will be sent per Participant.

The Company hereby informs that it will not authorize the participation in the Meeting of any Participant who has not requested the access link within the period indicated above, as well as for the Participants who request the link, but did so without presenting the necessary participation documents within the period above.

Participants who are accredited within the period indicated above undertake, as of now, to: (i) make use of individual invitations only and only for participation in the Meeting; (ii) not to transfer or disclose, in whole or in part, the individual invitations to a third party, whether a shareholder or not, the invitation being very personal and non-transferable; and (iii) do not record or reproduce, in whole or in part, nor transfer, to a third party, whether he is a shareholder or not, the content or any information obtained on the Digital Platform during the Meeting.

Company, by phone +55 (11) 3576-9531, no later than 1:00 p.m. on November 13, 2025, so that they can be sent back (or provided by phone) respective access instructions.

The Digital Platform is available for use via computer (desktop or laptops and the like) and via cell phone, through the Webex app, for Apple and Android phones. The Participant who chooses to participate in the Meeting via cell phone must download the Webex application on his mobile phone.

Recommendations

We suggest that Participants access the Digital Platform at least 15 (fifteen) minutes before the beginning of the Meeting, in order to avoid possible operational problems with the tool.

The Company recommends that Participants **test and familiarize themselves previously with the Digital Platform**, in order to avoid any surprises regarding the incompatibility of their electronic equipment with the tool, in addition to possible problems with its use on the day of the Meeting.

All Participants will start the Assembly with their microphones and videos disabled, and the event organizer must release them. Thus, after the presentation on each matter included in the Agenda of the Meeting, the Participant who wants to speak up must use the option "**Questions and Answers**" on the Digital Platform to register such request, so that the Participants will be given the floor in the order where requests are received by the Bureau. The manifestation will be exercised when the organizer of the event releases the audio of the requesting Participant.

As detailed in item 2 below, it should be noted that the platform's "Questions and Answers" function is not to be confused with the "Chat" function. Only through the "Questions and Answers" function will Participants be able to address the Bureau, including for the purposes of voting.

The "**Chat**" function can be used for communication between Participants.

Responsibilities and Rights

Braskem will not be responsible for connection problems that the Participants may face and other situations beyond the Company's control, such as instability in the internet connection or incompatibility of the Digital Platform with the Participant's equipment. As a result, we remind you that your experience may vary according to the browser and settings of your equipment (computer or cell phone).

The Company reserves the right to use any information contained in the recording of the Meeting to: (i) record the Participants' statements and also to view the documents presented during the Meeting; (ii) registration of the authenticity and security of communications during the Meeting; (iii) registration of the attendance and votes cast by the Participants; (iv) compliance with any legal orders from competent authorities; and (v) defense of the Company, its administrators and contracted third parties, in any judicial, arbitration, regulatory or administrative sphere.

2 – HOW TO PARTICIPATE / VOTE DURING THE MEETING

Introductory Information

Participants who take part in the Meeting via the Digital Platform will, for all legal purposes, be considered present at the Meeting and, as such, will be considered subscribers to the respective minutes and the Shareholders' Attendance Book of the Company, under the terms of Article 47, paragraph 1 of CVM Resolution 81.

Asking for the floor and voting - "Questions and Answers"

All Participants will start the Meeting with their microphones and videos deactivated, and the event organizer will have to release them. Thus, after the presentation of each matter on the Agenda of the Meeting, the Participant who wishes to speak must use the "Questions and Answers" option on the Digital Platform to register this request, so that the Participants will be given the floor in the order in which the requests are received by the Bureau. The demonstration will be exercised when the event organizer releases the audio of the requesting Participant.

Participants wishing to express their opinion in writing must send their opinion to the Board of the Meeting by the end of the Meeting, via e-mail to braskem-ri@braskem.com.

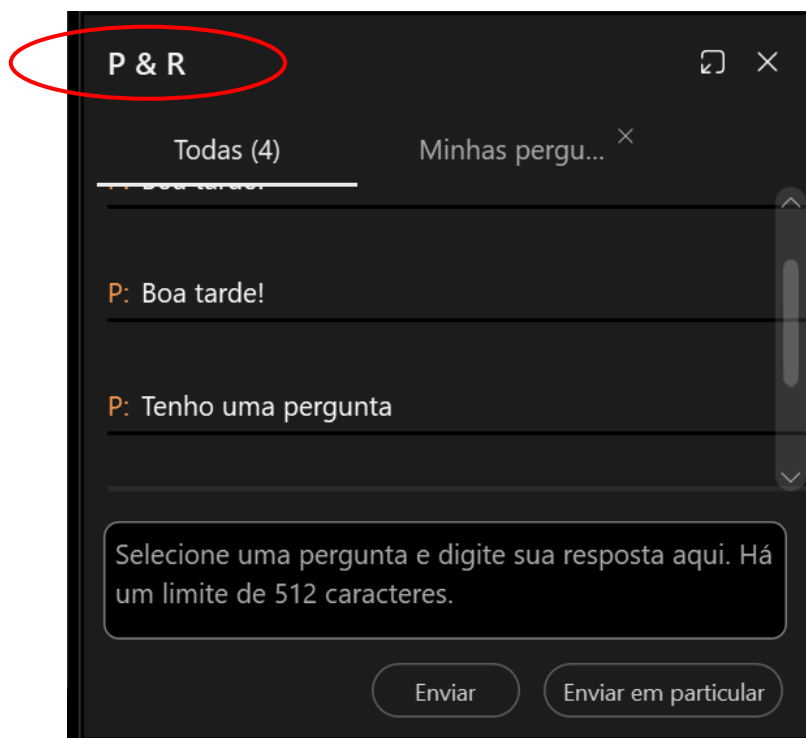

Participants wishing to comment on any matter not related to the agenda of the Meeting should use the contact channel with the Company through the Investor Relations area.

Below is a step-by-step guide to using this function on the Digital Platform:

Step 1: To take part in the ongoing vote or to ask to speak during the event, use the "Q&A" feature. To do so, click on the icon highlighted below and then on the "Q&A" button.

Step 2: Then, to take part in the vote in progress or to ask to speak, simply click on the "Q&A" function and express your interest in using the microphone. When it's your turn, the event organizer will release your microphone so that you can speak:

IMPORTANT NOTE: The Company informs that it will only receive requests for expressions of interest made via the "Questions and Answers" function. As such, requests to speak via the "Chat" function (see item 2.3 below) will not be received by the Board of the Shareholders' Meeting.

Text messaging - Via Chat (Conversation between participants)

Step 1: The "Chat" function can be used for communication between Participants. To send a text message, click on the "Chat" button:

Step 2: A new window will appear on the side of your screen. Choose the Participants, type in your message and press <ENTER>.
