Closing of the Divestment in the Baixo Iguaçu Hydroelectric Plant

COPEL (“Company”) hereby informs its shareholders and the market in general, in continuation of Material Facts No. 01/25 and 05/25, dated February 21, 2025, and June 30, 2025, respectively, that Copel Geração e Transmissão S.A. (“Copel GeT”), a wholly-owned subsidiary of the Company, has completed the divestment of the Baixo Iguaçu Hydroelectric Plant to ENERGO-PRO BRASIL HOLDING S.A., after fulfilling all precedent conditions and obtaining approvals from the competent authorities.

The equity value of the transaction totaled R\$ 1,683.3 million. Of this amount, R\$ 155.4 million was paid in February 2025; R\$ 1,517.9 million was credited today; and the remaining R\$ 10.0 million will be released as soon as certain post-closing steps are completed.

The completion of the transaction highlights the company's agility and efficiency in recycling assets and minority interests, reinforcing its ability to capture value and generate consistent returns for its shareholders.
