### Migration to B3's Novo Mercado

COPEL ("the Company") is pleased to announce to its shareholders and the market in general that, on this date, it has completed the process of migration to the *Novo Mercado* of [B]<sup>3</sup> S.A. - Brasil, Bolsa, Balcão ("B3"), a segment that represents the highest standard of corporate governance in the Brazilian market ("Migration to the New Market").

As a result of the Migration to the *Novo Mercado*, as of **today**, the Company will have only common shares, which will be traded under the code **CPLE3**, consolidating a simpler, more transparent corporate structure in line with best market practices.

This achievement represents much more than a change in listing segment; it reflects the **strategic commitment to excellence in governance and the generation of long-term value**. By joining the *Novo Mercado*, the Company:

- **Strengthens governance** by adopting stricter corporate rules, aligned with the best international practices.
- **Increases the attractiveness of its shares**, favoring greater liquidity and potential appreciation, by concentrating on trading in a single type of share (common).
- **Reinforces its commitment to investors**, ensuring more robust rights and consolidating its position as a benchmark in the Brazilian electricity sector.

Copel remains available for further clarification through its Investor Relations channels.
