**Resubmission of the BVD due to the change in the agenda of the
Extraordinary General Meeting for migration to the Novo Mercado**

Companhia Paranaense de Energia - COPEL ("Company"), in compliance with the provisions of Article 26, § 6, of CVM Resolution No. 81, of March 29, 2022, as amended ("RCVM 81"), and in reference to the Extraordinary General Meeting to be held, on first call, on August 4, 2025, which will decide on the Company's migration process to the Novo Mercado ("AGE"), in addition to the Material Fact disclosed by the Company on this date, hereby informs its shareholders and the market in general the following:

At a meeting held on this date, the Board of Directors approved the amendment to the agenda of the EGM, without changing the final structure proposed to the shareholders or the economic aspects of the transaction.

According to the documentation made available by the Company on this date, management resubmitted the EGM documentation, including the new version of the remote voting ballot, already considering the updated agenda. Due to the timeliness of the change and in compliance with the advance notice period established in Article 124 of the Brazilian Corporations Law, the EGM was maintained, on first call, for August 4, 2025.

The Company emphasizes that, due to the resubmission of the remote voting ballot, the voting instructions already sent will be disregarded, and it is recommended that a new ballot be sent, preferably to the same service provider previously used, within the original deadline of four (4) days prior to the AGE, i.e., by July 31, 2025.

Further information and details about the EGM, already considering the changes proposed by management, are available in the call documents, including the respective Management Manual and Proposal and in the remote voting ballot, made available on this date by the Company on the CVM website and on the Company's investor relations page (<https://ri.copel.com/>).
