**NOTICE TO THE MARKET**

**CEMIG completes 26 years in the Dow Jones Best in Class Index (DJ BIC)**

**COMPANHIA ENERGÉTICA DE MINAS GERAIS – CEMIG (“CEMIG” or “Company”)**, a publicly held company with shares traded on the stock exchanges of São Paulo and New York, in line with its commitment to adopting best Corporate Governance practices, hereby informs its shareholders and the market in general that, **for the 26th time**, it has been selected to compose the portfolio of the **Dow Jones Best in Class Index (DJ BIC)**.

The Company is **the only electric utility** in the Americas included in the index and one of the few corporations to have been continuously listed since the creation of the index in 1999.

**The DJ BIC**, whose company selection process is conducted by S&P Dow Jones Indices (“S&P Global”) and audited by Deloitte, is a global benchmark for corporate sustainability and comprises companies that stand out in their respective sectors for their performance in environmental, social, and governance (ESG) practices, as well as their ability to adapt to market trends and generate value over the medium and long term.

The new index portfolio includes the **top 10% best-rated companies** among more than 2,500 companies assessed across different sectors of the economy.

The Company's inclusion in the index **for 26 consecutive years** reinforces CEMIG's commitment to sustainable practices, responsible relationships with employees and suppliers, and value creation for its shareholders and society.

Further details on Cemig's socio-environmental practices are available in its sustainability reports at [www.cemig.com.br](http://www.cemig.com.br).
