

AXIA ENERGIA

Conversion of common shares into preferred shares held by ISA Energia Brasil

Rio de Janeiro, March 19, 2026 – Centrais Elétricas Brasileiras S.A. – Eletrobras (“Company” or “AXIA Energia”) hereby informs that requested and obtained approval from the Board of Directors of ISA Energia Brasil S.A. – ISA Energia for the conversion of 19,766,499 common shares issued by ISA Energia into preferred shares, based on a conversion ratio of 1 preferred share for each 1 common share, as provided for in the By-Laws of ISA Energia.

The transaction reinforces AXIA Energia’s commitment to the optimization of minority shareholdings, capital discipline, and the simplification of its corporate structure.

Eduardo Haiama

Vice President of Finance and Investor Relations
