Said candidate is a member of the board of directors of *CEMIG – Companhia Energética de Minas Gerais S.A.* and *TAESA - Transmissora Aliança de Energia Elétrica S.A.*, competing companies of the Company, with terms in office through their respective annual general meetings in 2026. We clarify that voting instructions previously submitted remain valid. The deadline for submitting the Remote Voting Ballot, whether by shareholders who have not yet voted or by those who wish to resubmit their voting instructions, is April 11, 2026, inclusive, that is, four days prior to the date of the AEGM.

For shareholders who wish to resubmit their votes, it is recommended to use the same service provider previously utilized, in order to avoid inconsistencies in the content of the Remote Voting Ballot.
