

AXIA ENERGIA

2025 Sustainability Report

Rio de Janeiro, May 12, 2026, AXIA Energia S.A. (“Company” or “AXIA Energia”) hereby Informs that it has published today its 2025 Annual Sustainability Report. The document is the Company’s primary source of ESG (Environmental, Social and Governance) information, providing an overview of the main results achieved throughout the year, as well as data related to its economic and operational performance.

The report is intended for all of AXIA Energia’s stakeholders and was prepared in accordance with the integrated reporting framework of the International Integrated Reporting Council (IIRC) and the guidelines of the Global Reporting Initiative (GRI). It also incorporates other measurement standards, such as the Sustainability Accounting Standards Board (SASB), the Task Force on Climate-related Financial Disclosures (TCFD), the Task Force on Nature-related Financial Disclosures (TNFD), and the principles of the United Nations (UN) Global Compact, in addition to being assured by an independent external auditor.
