

AXIA ENERGIA

Disclosure of change in shareholding position by BlackRock

Rio de Janeiro, September 08, 2026, AXIA Energia S.A. ("Company" or "AXIA Energia") informs that it has received a notice from BlackRock, Inc. ("BlackRock") stating that, as a result of transactions carried out in the stock market, it disposed of common shares ("ON") and Class C preferred shares ("PNC") issued by the Company and, following such transactions, came to hold, on an aggregated basis:

- (i) 115,701,027 common shares (ON), corresponding to approximately 4.929% of the total common shares issued by the Company;
- (ii) 358,593 cash-settled derivative instruments referenced to common shares (ON), corresponding to approximately 0.015% of the total common shares issued by the Company;
- (iii) 24,180,826 Class C preferred shares ("PNC"), corresponding to approximately 4.057% of the total Class C preferred shares issued by the Company; and
- (iv) 41,655 cash-settled derivative instruments referenced to Class C preferred shares (PNC), representing approximately 0.015% of the total outstanding shares of that class.

BlackRock declares that it is not subject to any agreement or arrangement governing the exercise of voting rights or the purchase and sale of securities issued by AXIA Energia. It further states that its shareholding interest is held solely for investment purposes and is not intended to alter the Company's control structure or influence its management or administrative structure.
