

AXIA ENERGIA

Credit Assignment – Amazonas Energia

Rio de Janeiro, June 10, 2026 - AXIA Energia S.A. (“Company” and “AXIA Energia”), together with its wholly owned subsidiary AXIA Energia Norte S.A. (“AXIA Energia Norte”), hereby informs that, addition to the material facts disclosed on June 10, 2024, May 14, and October 9, 2025, and after the agreed conditions precedent were satisfied, they have, on this date, completed the assignment of all receivables they held against the distribution company Amazonas Energia S.A. (“Amazonas Energia”).

In consideration thereof, AXIA Energia and AXIA Energia Norte will receive:

- A total of R\$ 554.1 million, subject to adjustment until the date of effective payment, related to the settlement of receivables from Amazonas Energia
- A call option in the distributor for a minority stake, which may be exercised or assigned to third parties.

The transaction completes the structuring of a financially beneficial alternative for the parties, agreed in 2024, by supporting the viability of the current concession of Amazonas Energia and enabling AXIA Energia to capture the economic benefits arising from a potential operational and financial recovery of the distributor.

The transaction reinforces AXIA Energia’s commitment to disciplined capital allocation and to the mitigation of operational and financial risks.
