

AXIA ENERGIA

Delisting of American Depositary Receipts - ADRs

Rio de Janeiro, April 01, 2026 — Centrais Elétricas Brasileiras S.A. – Eletrobras (“Company” or “AXIA Energia”) informs that its Board of Directors has approved, as of this date, the initiation of the procedures for the delisting of its American Depositary Receipts (ADRs) from the New York Stock Exchange (NYSE).

The delisting aims to consolidate liquidity in a single market, considering that ADRs currently represent only 2.5% of the Company’s shareholder base. Advances in corporate governance practices, as well as the strengthening of internal controls and risk management, remain ensured and are further reinforced by the approval of the Company’s migration to the Novo Mercado, as resolved at the shareholders’ meetings held on this date.

AXIA Energia reiterates its ongoing commitment to continuously enhancing its governance framework, focused on strengthening shareholders’ rights and adopting the highest standards of transparency and integrity, always with a view to generating sustainable long-term value.
