

AXIA ENERGIA

Subscription of Eletronuclear Debentures

Rio de Janeiro, August 13, 2026, AXIA Energia S.A. ("Company" or "AXIA Energia"), further to the material facts disclosed on February 28 and October 15, 2025, announces that it has subscribed and paid in convertible debentures issued by Eletronuclear S.A. ("Eletronuclear") in the amount of BRL 1.5 billion.

The subscription stems from an obligation set forth in Conciliation Agreement No. 07/2025/CCAF/CGU/AGU-GVDM, entered into between AXIA Energia and the Federal Government and ratified by the Brazilian Supreme Federal Court (Supremo Tribunal Federal), which established, among other provisions, the issuance by Eletronuclear of convertible debentures totaling BRL 2.4 billion, to be mandatorily subscribed by AXIA Energia and used exclusively to finance the Angra 1 Nuclear Power Plant Life Extension Project.

The remaining amount will be paid in over the course of the investments contemplated under the Angra 1 Long Term Operation ("LTO") Program, as the applicable conditions precedent are satisfied.

The Company will keep the market informed of any developments related to the completion of the aforementioned transaction.
