

AXIA ENERGIA

Unwinding of Transmission Equity Interests

Rio de Janeiro, March 19, 2026 — Centrais Elétricas Brasileiras S.A. – Eletrobras (“Company” or “AXIA Energia”) and AXIA Energia Nordeste S.A. (“AXIA Energia Nordeste”) hereby inform that, on this date, the signing of the Share Purchase and Sale Agreement (Contrato de Compra e Venda de Ações – CCVA) with ISA Energia Brasil S.A. – ISA Energia was completed, for the unwinding of equity interests in the special purpose entities Interligação Elétrica do Madeira S.A. – IE Madeira and Interligação Elétrica Garanhuns S.A. – IE Garanhuns, through the following transactions:

- i. The sale of the equity interests held by AXIA Energia and AXIA Energia Nordeste corresponding to 49% in IE Madeira to ISA Energia;
- ii. The acquisition by AXIA Energia Nordeste of the equity interest held by ISA Energia Brasil corresponding to 51% in IE Garanhuns; and
- iii. The receipt of payment in the amount of BRL 1.174 billion.

Upon completion of the transaction, AXIA Energia will consolidate a 100% equity interest in IE Garanhuns. Conversely, AXIA Energia will divest its minority equity interest in IE Madeira, as detailed in the table below.

Table 1 – Transmission Companies’ Characteristics

| Transmission Company | Km | No. of Substations | Concession Term | RAP 2025/2026 (BRL million) | EBITDA 2025 (BRL million) | Net Debt 2025 (BRL million) |
|----------------------|-------|--------------------|-----------------|-----------------------------|---------------------------|-----------------------------|
| IE Garanhuns | 633 | 2 | December 2041 | 157.9 | 134.2 | 42.6 |
| IE Madeira | 2,385 | 2 | February 2039 | 760.7 | 660 | 588 |

Figure 1 – Current Structure vs. Post-Transaction Structure

The transaction is subject to customary market conditions and adjustments.

The operation reinforces AXIA Energia’s commitment to the optimization of its minority interests, capital discipline, and the simplification of its corporate structure, as set forth in its Strategic Plan.
