### Sale of Stake in the Dona Francisca Hydroelectric Plant

COPEL (“the Company”) hereby informs its shareholders and the general market that it has accepted the binding offer and, on this date, entered into a Share Purchase Agreement (“SPA”) with Gerdau S.A. (“Buyer”), for the purpose of selling its equity interest in Dona Francisca Energética S.A. (“DFESA”), a shareholder of the consortium responsible for operating the Dona Francisca Hydroelectric Plant.

The stake sold corresponds to 23.03% of DFESA’s share capital, based on an enterprise value of R\$ 150.0 million (one hundred and fifty million reais), with the total amount paid in a single installment on the transaction closing date (“closing”), subject to the fulfillment of customary conditions precedent for this type of transaction, including the obtaining of applicable corporate and regulatory approvals.

This transaction is part of Copel’s strategy to continuously optimize its portfolio, in line with the strategy of simplifying the corporate structure and concentrating the portfolio on larger assets in which Copel holds control or significant influence, and to generate value for its shareholders.
