

AXIA ENERGIA

Disclosure of projections

Rio de Janeiro, February 18, 2026 – Centrais Elétricas Brasileiras S.A. – Eletrobras (the “Company” or “AXIA Energia”), in the context of the presentation of the results for the fourth quarter of 2025, the Company hereby informs the following projection:

- New investment level for fiscal years 2026 and 2027: R\$12 to R\$14 billion

The projection is based on the R\$ 9.6 billion invested in 2025 and incorporates the expected increase in transmission investments, including contracted contributions resulting from the Company’s active participation in auctions, as well as the anticipated acceleration of reinforcement and improvement projects in 2026 and 2027. It also includes amounts allocated to the modernization and strengthening of the resilience of generation assets.

This document may contain estimates and projections that do not represent past facts but reflect the beliefs and expectations of the Company’s management, including the projections disclosed herein, and may constitute forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Such estimates and projections are based on assumptions and are subject to risks, uncertainties, and factors beyond AXIA Energia’s control, including, among others, macroeconomic, regulatory, operational, and market conditions, as well as other risks described in the annual reports and other documents filed with the CVM and the SEC. These estimates and projections speak only as of the date they were made, and the Company undertakes no obligation to update or revise them as a result of new information, future events, or otherwise. Accordingly, such projections do not constitute a promise, guarantee, or assurance of future performance, and AXIA Energia’s actual results may differ materially from those expressed or implied herein; investors should not rely exclusively on the information contained in this document.
